**TEXT PROOF**  
WEB 

The logo graphic consists of several white squares of varying sizes arranged in a grid-like pattern to the right of the word 'WEB'.

**Text Proof Web** is an automatic and web-based text comparison and proof system. It works in all common standard formats (DOC, XLS, PDF, TXT, etc.) and displays any differences.

## Web-based

Simply open your web browser, log in and check your master texts and manuscripts against the final version or layout of the text. Get started right away and use Text Proof Web anywhere.

## Workflow-based

The system leads a user through the whole process step by step, eliminating the risk of skipping a stage.

## Tailor-made

Text Proof Web can be expanded and adjusted for your specific requirements. Integration into third-party systems is possible.

## Safety first

Release review process with the four eyes principle

Highest level data security:

- Hosting in German data centres (ISO 27001 certified)
- Consistent Audit Trail
- Digital signature

## Scripto r abhinc reddit misse

Is non videt quae quomque rem res consequatur. haec disserent qui de re agatur et in quo causa consistat non videt. Non enim si ad ali a propensiones sunt propter causas naturales et antecedentes, idcirco etiam nostrorum voluntatum atque appetitionum sunt causae naturales et antecedentes, nam nihil esset in nostra potestate si res ita se haberent. Nunc vero fatemur, acuti hebentes, valentes imbecillie amos, non esse id in nobis, qui autem ex eo cogit putat ne ut sedemus quidem audire, sed emendata videri pulchraque et exactis minimum distantia mior.

## Quod si tam Graecis
